

NVG PISTOL 5 HOURS

Members & Guests	\$175
Non-Members	\$200

This NVG train up is designed for those individuals who have night vision equipment and want the opportunity to develop or maintain their skill levels in no light conditions.

Whether new or experienced in the use of night vision equipment, this 4 hour night event will give the participants the opportunity to zero their lasers as well as participate in static and movement drills.

This event is the perfect opportunity for individuals to develop their NVG use confidence and skill set with specialized gear.

****NO REQUIREMENTS****
