

HOMESTEAD

TRAINING CENTER

LOW LIGHT CARBINE

4 HOURS

Course Cost	\$180
--------------------	--------------

This course focuses on operating in no light or low light conditions. Student will be introduced to techniques of firing and manipulating their rifle with a weapon mounted light. Focus will also be on core fundamentals, marksmanship, and immediate action drills, flashlight, and visible lasers if applicable. Additionally, students will be instructed on the proper use of cover, as well as its use inside of structures. Target engagement may extend out to 200 yards.
