TRAINING CENTER

NVG & LOW LIGHT STEEL CHALLENGE

****REGISTRATION 1800 - 1915****

Course Cost	\$50
--------------------	-------------

This event is just what the title states a NVG or Low light Steel Challenge. It's 8 stages of all pistol steel plates. Shooter will stand in a box and engage all steel plates in any order but has to finish by hitting a designated stop plate last. Each shooter will have the opportunity to shoot the stage 3 times, best time will be recorded. How fast and efficiently you shoot the plate, whether using NVGs, a gun mounted light or hand held flashlight. Shooters choosing to shoot the stage with a weapon light have to shoot the stage with that light or hand held light. If using NVGs then use that appropriate gear for NVGs
Registration will begin at 1800 and close at 1915hrs.

If you have any questions, contact shoohthc.com or [tacuptraining](https://www.instagram.com/tacuptraining) on Instagram.
