NVG SKILLS DRILLS

3 HOURS

Price	\$50
--------------	-------------

NVG Skills Drill is set up to give NVG users whether law enforcement or civilian the opportunity to regularly train and develop their skill set with NVGs and supporting equipment. NVG qualified Instructors will provide different drills focusing on different aspects of shooting with NVGs. This is a time for you guys to practice with your NVG gear, so if there's something in particular you want to work on, just let us know and we'll do what we can to support that. There is a mix of timed and un-timed drills, that will vary between session dates.
